

Whitefish Legacy Homes Program Public Open House Meeting March 14th

Do you want to learn more about plans for affordable housing in the City of Whitefish? Do you want to find out if you will be eligible to rent or buy a Legacy Home? The City of Whitefish invites the public to attend an open house on March 14th between 5:30 – 7:00 PM and learn about efforts to create affordable housing for people working in Whitefish. City staff, the Whitefish Housing Authority, and members of the Strategic Housing Plan Steering Committee will be on hand to provide information and answer questions about proposed new regulations that would require affordable homes be included in most new residential developments, what types of homes will be offered with the Legacy Homes Program, where they might be located, when they will be available, what they could look like, who will be able to buy and rent, and information for getting qualified to buy or rent. Also, learn about the recently funded and approved Alpenglow Apartments project on Edgewood Drive and concepts and status of the Snow Lot housing development.

The public open house will be held in the Council Chambers on the 2nd floor of City Hall, 418 E. 2nd Street from 5:30 - 7:00 pm. The proposed regulations to implement the Legacy Homes Program will be before the Whitefish Planning Board on Tuesday, March 19 at 6:00 pm in the Council Chambers.

“The City of Whitefish is serious about implementing the recommendations in the 2017 Strategic Housing Plan,” stated Whitefish Mayor John Muhlfeld. “We are actively working on a number of initiatives and have developed the Legacy Homes Program with the goal of creating permanently affordable workforce housing in the City of Whitefish.”

Question about the upcoming open house may be directed to Adam Hammatt, City Manager, via email at ahammatt@cityofwhitefish.org, by calling 863-2400, or by stopping by City Hall during business hours.
