

WHITEFISH WINTER MARKET

Roy Duff Memorial Armory

The City of Whitefish is excited to announce our 2nd Annual Whitefish Winter Market! This market strives to maintain the same festive atmosphere as the summer market, while providing an expanded selling season for local greenhouses, meats, cheeses, eggs, jams, honey, and any other locally produced foods. We also look forward to filling our space with local arts and crafts for the holiday season. Our goal is to offer a fun indoor space for our community to come together during the early winter season. Please read this letter carefully, as some policies are different for this year.
