

”Whitefish Rising”

By Cody Houston

The Official
Whitefish Sculpture

Available now in limited edition

Every now and then, something comes
along that is truly special...
This is one of those times.

The City of Whitefish announces the issuance of the
official Whitefish bronze sculpture,
“Whitefish Rising”,
by Montana artist Cody Houston.

Issued in a limited numbered edition of only 35, these bronze works were
commissioned by the Whitefish City Council to commemorate the City’s
Centennial Celebration. Each sculpture is an exact miniature of a large
monumental-sized bronze to be installed in the downtown BN Park.

All proceeds from the sale of “Whitefish Rising” sculptures will be used to
defray the costs of the large monument sculpture.

Act now before this limited offering is gone.

\$2,000.00 each.

Call 862-2400 for details and to order.

(Visa and MasterCard welcome).

(“Whitefish Rising” is a project of the Whitefish Centennial Bronze Committee.
No tax dollars were used for any portion of this effort.)
