***May be signed by the applicant or representative, authorization letter from owner must be attached. If there are multiple owners, a letter authorizing one owner to be the authorized representative for all must be included.

B. APPLICATION CONTENTS:

Attached ALL ITEMS MUST BE INCLUDED - INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

- An electronic copy of the application and supplemental materials.
- Architectural Review Application – **4 copies**
- Written description how the project meets the criteria in Section D – **4 copies**
- Site Plan with vicinity map – **4 copies**
The site plan, drawn to 1:20 scale with north arrow, which shows in detail your proposed use, your property lines, existing and proposed buildings, traffic circulation, driveways, parking, landscaping, fencing, signage, and any unusual topographic features such as slopes, drainage, ridges, etc.
- Building Elevations (all sides): 1/8" scale – **1 copy**
- Schematic Floor Plans: 1/8" scale – **1 copy**
- Building Elevations (all sides): 11 x 17 size – **3 copies**
- Schematic Floor Plans: 11 x 17 size – **3 copies**
- Landscaping Plan (concept that includes: lighting, parking, plantings, hard surfaces, sidewalks, patios, fencing, etc.): 1:20 scale with north arrow – **4 copies**
- Signage (concept – conceptual signage plans do not constitute an approval of the signs, a separate permit is required)
- Parking plan – **4 copies**
- Detailed architectural drawings showing the building materials – **4 copies**
- Details of windows, doors and any exterior features
- Exterior building mounted and site lighting: fixture types and lamp types including cut sheets, photometric data colors and operating features. Show locations on landscaping plan and elevations.
- Samples or details of all materials proposed for the exterior of the building, including color chips
- Model, 3-D rendering or perspective (A colored elevation does not satisfy this requirement.)
- A contextual analysis of how the building relates to the neighborhood. This could include photos, site sections or other visual detail.

The applicant is encouraged to bring anything else that might explain the building and support the design concept. The more detail and materials provided in support of the application, the greater likelihood of a quicker and smoother decision-making process. A model with sample materials is encouraged. The project is reviewed for conformity with the *City of Whitefish Architectural Review Standards*. The Architectural Review Standards may be viewed or printed online at www.cityofwhitefish.org.

Certain projects are required to have an architect's stamp on the plans. An architect shall be involved in the Architectural Review process for these projects. For other projects, the applicant is encouraged to seek design professional assistance to complete this application and ensure the project meets the Architectural Design Standards.

D. DESCRIPTION OF PROJECT:

ZONING DISTRICT: _____

ARCHITECTURAL DESIGN DISTRICT: _____

E. FINDINGS: The following criteria form the basis for approval or denial of a project's Architectural Review. The burden of satisfactorily addressing each of these criteria lies with the applicant. Review the criteria below and discuss how the proposal conforms to the criteria. If the proposal does not conform to the standards, describe why and how this design will better implement the architectural review standards.

1. How is the proposal compatible with the surrounding neighborhood and community in general in terms of the following: (The standards are found in the Architectural Review Standards: *HIGHWAY DISTRICT*: Section 3.5 – Scale and Relationship to Surroundings; Section 3.6 – Shape and Form; *OLD TOWN DISTRICT*: Section 4.5 – Scale and Relationship to Surroundings; Section 4.6 – Shape and Form; *RESORT COMMUNITY DISTRICT*: Section 5.5 – Scale and Relationship to Surroundings; Section 5.6 – Shape and Form)
 - a. Structural bulk and massing
 - b. Scale
 - c. Context of existing neighborhood
 - d. Community Character

2. Describe how the exterior materials (color and texture) are met generally and within the appropriate district. (These standards are found in the Architectural Review Standards: *HIGHWAY DISTRICT*: Section 3.7; *OLD TOWN DISTRICT*: Section 4.5; *RESORT COMMUNITY DISTRICT*: Section 5.7)

3. Describe how the site plan will meet the general objectives and the specific standards in HIGHWAY DISTRICT - Chapter 3; OLD TOWN DISTRICT – Chapter 4 and RESORT COMMUNITY DISTRICT – Chapter 5. In addition, describe how the project will meet the requirements for:
 - a. Landscaping (Highway 3.2; Old Town 4.2; Resort Community District 5.2)
 - b. Parking (Highway 3.3; Old Town 4.3; Resort Community District 5.3)

4. Outdoor lighting (Highway 3.4; Old Town 4.4; Resort Community District 5.4). Describe the type of lighting planned, its location on the building on the site, its color and lamp type. Also, describe how the building will look in the dark. (This could also be in the form of a perspective or elevation).

5. If the proposed project is a 'big box' and required to obtain a Conditional Use Permit pursuant to Section 11-2K-4 or Section 11-2L-4, describe how the standards in Section 3.8 (Highway District).

6. If the proposed project is formula retail, as defined by the Whitefish zoning regulations, describe how the project is meeting the standards in Section 3.9 (Highway District) or 5.8 (Resort Community District).
