PRESENT: Stacy Caldwell (joined at 8:53 AM), Shane Jacobs, Diane Kane, Tracy Rossi, Kathy Skemp

ABSENT: Leslie Lowe, Paul McElroy

STAFF: Wendy Compton-Ring

PUBLIC COMMENT: none

MINUTES: The minutes from May 19, 2020 were unanimously approved.

## OLD BUSINESS

Town Pump, 6045 Highway 93 S, CWG Architects (ARC 19-63) The applicant presented an update to the Arch Review Committee since their last meeting. Provided a summary of the site changes and the architectural changes.

Shane – no comments

Diane – thanks for being flexible and it will be a nice project

Kathy – questions about the height of the stone on the columns – is that the right height; too tall?

Diane – likes its height

Shane – likes how it ties into the building, but wouldn't be opposed to it being reduced

Discussion about the height – about 10 to 12-feet above grade

Tracy – isn't concerned about it – so it can be seen above a vehicle

### Motion:

Shane – move to approve as submitted

Diane – 2<sup>nd</sup>

**Discussion:** none

**Vote:** motion passes unanimously

**NEW BUSINESS** none

## OTHER ITEMS
