**May be signed by the applicant or representative, authorization letter from owner must be attached. If there are multiple owners, a letter authorizing one owner to be the authorized representative for all must be included.

B. APPLICATION CONTENTS:

Attached ALL ITEMS MUST BE INCLUDED - INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

- One (1) printed copy and one (1) electronic copy of application and supplemental materials.
- Site Plan – drawn to scale, which shows in detail the proposed use; property lines and setback lines; topography; density of dwelling units per gross acre; and other pertinent information. A narrative may also be submitted to supplement the site plan requirements. For full list of required items see [§11-2S-8\(B\)](#)
- Written report of any adjacent neighborhood citizen outreach completed, and any concerns raised. Full requirements can be found in [§11-2S-8\(A\)\(1\)](#)
- Written statement of the extent to which the plan deviates from zoning and/or “Standards for Design and Construction” (public works standards). For full description of written statement requirements, see [§11-2S-8\(A\)\(9\)](#)
- Ownership designation and management plan for all open space and common areas, including maintenance and weed control responsibilities. [\[§11-2S-8\(A\)\(4\)\]](#)
- Will this project provide affordable housing: Yes No
If yes, complete a Housing Mitigation Plan
- What deviations from standards are being requested? [§11-2S-5](#)
- What community benefit will be provided? See, [§11-2S-6](#)
- Proposed schedule of completion and phasing of the development, if applicable.
- Proposed covenants, conditions, and restrictions (CC&Rs)
- Written description of how the project meets the criteria in Section I
- Where new buildings or additions are proposed, building sketches and elevations shall be submitted
- Any other information that may be deemed relevant and appropriate to allow for adequate review including:
 - The manner in which services will be provided such as water, sewer, storm water management, schools, traffic management, recreational facilities and/or other applicable services and utilities that may not be already included on the submitted site plan.
 - Any special design standards, materials and/or colors
- Any additional information requested during the pre-application process
- If the project accompanies a Subdivision request, a preliminary plat shall be prepared in accordance with the requirements of the Subdivision Regulations (see applicable form).

When all application materials are submitted to the Planning & Building Department, the application will be scheduled for public hearing before the Planning Board and City Council.
