SUPPLEMENTAL LAKESHORE VARIANCE APPLICATION

WHITEFISH or LOST COON LAKE

FEE ATTACHED \$ _____
 (non-refundable)

The variance mechanism is not intended to address situations that are a matter of convenience rather than hardship. It is not intended to provide economic relief from a specific standards requirement. A lakeshore variance is not intended to address a violation that does not conform to the lakeshore regulations.

INSTRUCTIONS:

- Pre-application meeting is required with city staff. Date of pre-app meeting: _____
- Submit the application fee, completed standard lakeshore construction permit application, the supplemental variance application and appropriate attachments to the Whitefish Planning & Building Department a minimum of **three (3) weeks prior** to the Lakeshore Protection Committee meeting at which this application will be heard.
- The regularly scheduled meeting of the Lakeshore Protection Committee is the second Wednesday of each month at 6:00 PM at City Hall at 418 E 2nd Street.
- Staff will make a recommendation to the Lakeshore Protection Committee. A staff recommendation for approval of a variance does not provide a guarantee that the variance will be approved.
- After the Lakeshore Protection Committee meeting, the application will be forwarded along with the Committee's recommendation to the next available City Council meeting for final action. Appeals of the decision of the Whitefish City Council must be made in District Court per §75-7-215 of the Montana Code.
