**Kalispell MT--** The Flathead City-County Health Department today confirmed the first death of a Flathead County individual related to COVID-19 in Flathead County.

The individual was over the age of 65 and was a resident of Flathead County. The individual had underlying health conditions.

“We extend our heartfelt sympathies to the patient’s family and friends,” said Hillary Hanson, Flathead City-County Health Department Health Officer. “We want to remind our community about the importance of staying at home. We must work together to protect our most vulnerable neighbors.”

Out of respect for the family, no further details will be released.

The Flathead City-County Health Department will continue to update their novel coronavirus website daily with case counts and press releases.
